

Bearing No. NK9/12-TV

|                      |                                                                                |
|----------------------|--------------------------------------------------------------------------------|
|                      | / With closing rings, without lubrication hole and without lubrication groove. |
| D                    | 16 mm                                                                          |
| C                    | 12 mm                                                                          |
| m                    | 10,3 g / Weight                                                                |
| Category             | Bearings                                                                       |
| Inventory            | 0.0                                                                            |
| Size (mm)            | 9x16x12                                                                        |
| Width (mm)           | 12                                                                             |
| Product Group        | B04144                                                                         |
| $n_G$                | 31000 1/min / Limiting speed                                                   |
| $F_w$                | 9 mm                                                                           |
| $C_r$                | 5100 N / Dynamic load rating (radial)                                          |
| $n_B$                | 24200 1/min / Reference speed                                                  |
| Bearing number       | NK9/12-TV                                                                      |
| $C_{ur}$             | 840 N / Fatigue limit load, radial                                             |
| $C_{Or}$             | 5000 N / Static load rating (radial)                                           |
| $r_{min}$            | 0,3 mm                                                                         |
| Manufacturer Name    | SCHAEFFLER GROUP                                                               |
| Weight / Kilogram    | 0                                                                              |
| Bore Diameter (mm)   | 9                                                                              |
| Outer Diameter (mm)  | 16                                                                             |
| Minimum Buy Quantity | N/A                                                                            |
