

**Bearing No. NK29/20R+IR25X29X20**

|                      |                     |
|----------------------|---------------------|
| D                    | 38,000 mm           |
| d                    | 25,000 mm           |
| B                    | 20,000 mm           |
| C                    | 20,000 mm           |
| Category             | Bearings            |
| Size (mm)            | 25x38x20            |
| Inventory            | 0.0                 |
| Width (mm)           | 20,000              |
| Product Group        | B04144              |
| Bearing number       | NK29/20R+IR25X29X20 |
| Manufacturer Name    | NTN                 |
| Weight / Kilogram    | 0.084               |
| Bore Diameter (mm)   | 25,000              |
| Outer Diameter (mm)  | 38,000              |
| Minimum Buy Quantity | N/A                 |
