

Bearing No. NK105/36R+IR95X105X36

|                      |                           |
|----------------------|---------------------------|
| D                    | 125,000 mm                |
| d                    | 95,000 mm                 |
| B                    | 36,000 mm                 |
| C                    | 36,000 mm                 |
| Category             | Bearings                  |
| Size (mm)            | 95x125x36                 |
| Inventory            | 0.0                       |
| Width (mm)           | 36,000                    |
| Product Group        | B04144                    |
| Bearing number       | NK105/36R+IR95X105X<br>36 |
| Manufacturer Name    | NTN                       |
| Weight / Kilogram    | 1.193                     |
| Bore Diameter (mm)   | 95,000                    |
| Outer Diameter (mm)  | 125,000                   |
| Minimum Buy Quantity | N/A                       |
