

Bearing No. 7210CP4

|                 |                              |
|-----------------|------------------------------|
| D               | 90 mm                        |
| d               | 50 mm                        |
| B               | 20 mm                        |
| C               | 20 mm                        |
| Bore            | 1.969 Inch   50 Millimeter   |
| Noun            | Bearing                      |
| Width           | 0.787 Inch   20 Millimeter   |
| UNSPSC          | 31171531                     |
| Preload         | None                         |
| Category        | Precision Ball Bearings      |
| Size (mm)       | 50x90x20                     |
| Enclosure       | Open                         |
| Inventory       | 0.0                          |
| Width (mm)      | 20                           |
| Flush Ground    | No                           |
| Weight / LBS    | 0.985                        |
| Cage Material   | Nylon                        |
| Product Group   | B04270                       |
| Inch - Metric   | Metric                       |
| Contact Angle   | 15 Degree                    |
| Raceway Style   | 1 Rib Outer Ring             |
| Other Features  | Single Row   Angular Contact |
| Keyword String  | Angular Contact Ball         |
| Bearing number  | 7210CP4                      |
| Rolling Element | Ball Bearing                 |
| Material - Ball | Steel                        |
| Precision Class | ABEC 7   ISO P4              |
| Angle (?)       | 15 °                         |
|                 |                              |

|                          |                                                                                                                                                                                                          |
|--------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Long Description         | 50MM Bore; 90MM Outside Diameter; 20MM Width; Open Enclosure; ABEC 7   ISO P4 Precision; Steel Ball Material; 1 (Single) Bearings; 15 Degree Contact Angle; Nylon Cage Material; 1 Rib Outer Ring Racewa |
| Manufacturer URL         | <a href="http://www.ntnamerica.com">http://www.ntnamerica.com</a>                                                                                                                                        |
| Outside Diameter         | 3.543 Inch   90 Millimeter                                                                                                                                                                               |
| Weight / Kilogram        | 0.447                                                                                                                                                                                                    |
