

**Bearing No. UCTX13E**

|                               |          |
|-------------------------------|----------|
| H                             | 167 mm   |
| L                             | 224 mm   |
| d                             | 65 mm    |
| S                             | 30,2 mm  |
| A                             | 70 mm    |
| N                             | 41 mm    |
| B                             | 74,6 mm  |
| N1                            | 32 mm    |
| L1                            | 137 mm   |
| H2                            | 111 mm   |
| H1                            | 150,8 mm |
| N2                            | 70 mm    |
| A1                            | 27 mm    |
| L3                            | 121 mm   |
| L2                            | 21 mm    |
| A2                            | 48 mm    |
| Weight                        | 7,6 Kg   |
| Bearing number                | UCTX13E  |
| Bore Diameter (mm)            | 65       |
| Basic dynamic load rating (C) | 62,2 kN  |
| Basic static load rating (C0) | 44,1 kN  |
