

Bearing No. 160PCR3101

|                    |                  |
|--------------------|------------------|
| d                  | 160 mm           |
| A                  | 178 mm           |
| J                  | 150 mm           |
| L                  | 310 mm           |
| h1                 | 16,5 mm          |
| H2                 | 323,5 mm         |
| ?                  | 11 Tolerance h14 |
| Bearing number     | 160PCR3101       |
| Bore Diameter (mm) | 160              |
