

Bearing No. UCPA206

|                      |                  |
|----------------------|------------------|
| L                    | 94 mm            |
| d                    | 30 mm            |
| A                    | 48 mm            |
| B                    | 38.1 mm          |
| H                    | 42.9 mm          |
| J                    | 66 mm            |
| S                    | 15.9 mm          |
| H1                   | 10 mm            |
| H2                   | 84 mm            |
| ?                    | 18 Tolerance h14 |
| Category             | Bearings         |
| Inventory            | 0.0              |
| Width (mm)           | 38.1             |
| Thread (G)           | M14×2            |
| Product Group        | M06110           |
| Bearing number       | UCPA206          |
| Manufacturer Name    | NACHI            |
| Weight / Kilogram    | 0                |
| Bore Diameter (mm)   | 30               |
| Minimum Buy Quantity | N/A              |
